Re: Transfer of Notice of Intention - Small Mining Operations, Joseph M. Caruso to Rex Harris,
End of the Trail Claims - Septarian Nodule Quarry, S/025/010, Kane County, Utah

Dear Mr. Harris:

Thank you for completing and correcting the Small Mining Operations Transfer form which transfers the End of the Trail Claims to you from Mr. Joseph M. Caruso. The transfer is now complete and has been accepted and signed by our Division Director. A copy of the completed transfer form is enclosed for your files. A copy is also being sent to Mr. Caruso along with a copy of this letter. I apologize for the unexpected delay in returning this signed copy to you.

The file has been assigned number S/025/010, which you should reference in any future correspondence on the mine. With the transfer in place, you are now fully responsible for all reclamation work for the property located in the E1/2 of the SW1/4 of Section 25, T40S, R8W, Kane County, Utah. Mr. Caruso is now released from any further reclamation obligation at this location.

Annual reports are required to be submitted on or before January 31 each year. A form will be sent to you for this purpose. Best of luck in your mining venture.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
